### **Additional Information:**

The Miller Analogies Test (MAT) is a high level test of analytical ability that requires the solution of problems stated as analogies. The MAT consists of 120 partial analogies that are to be completed in 60 minutes. The test measures your ability to recognize relationships.

- Fee: \$90.50
- The MAT is 60 minutes long.
- It takes approximately 2-3 weeks for your designated score to get to your institution(s).
- **Important:** You must bring two forms of valid identification (ID). The primary ID may be your Driver's license, school identification card, passport or other government issued identification card. Valid forms of secondary ID include credit cards (with or without a photograph), library cards or a utility bill with the candidate's name and address appearing exactly the same as on the primary form of ID.
